About NCERT

The National Council of Educational Research and Training (NCERT) is an autonomous organization set up in 1961 by the Government of India to assist and advise the Central and State Governments on policies and programmes for qualitative improvement in school education. The Regional Institutes of Education (RIEs) located in the different regions of the country (Ajmer, Bhopal, Bhubaneswar, Mysore and NERIE, Shillong) are the constituent units of NCERT. One of the major objectives of the RIEs is to organize pre-service and in-service teacher education programmes.

About the Courses

B.Sc.B.Ed./ B.A.B.Ed./ M.Sc.Ed./ B.Ed / M.Ed. are professional courses and aim at producing competent teachers of science/mathematics/social sciences and languages teaching at secondary level/ senior secondary level. These are innovative teacher education courses to provide training in methodology along with instruction in various content areas. These courses have been designed keeping in view the latest researches and experiments in the field of teacher education. Besides having latest knowledge in content areas the teacher trainees become well versed in pedagogy and communication skills which are integrated throughout the duration of the course. Many candidates have been selected for regular job of teachers on the basis of campus interviews by Kendriya Vidyalaya Sangathan, Delhi Public School and other reputed schools of the country.
