## From the president's Desk:

Dear Friends!

Three years have passed since our last Meet on 29th December 2019, and almost dogging our get-together, the COVID- 19 holocaust has taken humanity hostage to date while also paralyzing our organizational activities. The casualty due to this is gigantic in recent history - around 68 lacs in the globe by 11th instant, of which around 6 lacs from India alone. During this period, we have lost many of our fellow alumni and our near and dear ones, for whom I express deep condolences on this occasion. This virological threat, it seems, has come to stay with us. Still, we must march ahead despite this, as the undaunted humanity has been doing in the face of similar pandemics since time immemorial.

Along with this pandemic, we have many more challenges on our home turf, and it would be pertinent to name a few of them here. Despite our continuous effort over the last decade, since the inception of our association, we have succeeded in enrolling 430 members in total, of which only 408 are with us today. During six decades of her long journey, our alma mater has turned out at least 10 thousand students, but our current tally is hardly one-tenth of the total number. Our appeal in this regard has yielded little result so far. Therefore, we must devise modalities to win them into our fold, as getting each of them to our alumni family is our target.

Our alma mater, RIE, Bhubaneswar, will face the NAAC(National Assessment and Accreditation Council) team for the first time in the next few months, as it has become mandatory. This assessment and accreditation process presupposes the supportive engagement of the alumni as a stakeholder through our organizational activities and academic and financial contributions. We have to stand with our alma mater heart and soul at this juncture to take it to new heights to achieve an enviable grade. We hope other stakeholders also rise to the occasion to do their bit in this hour of need to help her overcome some of the deficiencies it suffers from.

Of late, it is learnt that the Government of India is about to confer the status of a De Novo varsity on NCERT when we are demanding the status of a university/Institution of national importance for our alma mater, RIE, Bhubaneswar. We have to be vigilant in the wake of this new development so that the interest of this heritage institution of teacher education in eastern India is not compromised.

Friends! You would be glad to learn that every year, the highest number of aspirants reportedly apply to RIE, Bhubaneswar, for admission to different courses offered here compared to its counterparts. Hence, it would not be improper on our part to expect special treatment from appropriate quarters in the opening of new courses and posting of faculties and staff for this institute.

With the introduction of NEP-2020 and Eleventh and Twelfth classes being part of the school structure, we know that TGT and PGT teachers are necessary for any such schools. It would not be inappropriate to expect to add 3yr MScMed and MAMEd courses in school subjects in RIE, Bhubaneswar, so that our schools are not deprived of qualified teachers. We hope that the authorities favourably consider this suggestion.

Friends!

RIE / RCEs, since their establishment, have been nurturing our regional/ modern Indian languages through their curriculum and pedagogical inputs. But we observe now that aspirants for admission with regional language schooling are getting marginalised day by day in the process of selection in favour of non-MIL medium ones when the NEP-2020 advocates for mother tongue as medium of instruction for school level. We have to raise this at the appropriate forum to address it to benefit our pluricultural and multilingual social ethos.

I hope this Meet will engage us in meaningful brainstorming to find ways and means to address the issues confronting us as an organisation and our alma mater and decide our role in this regard.

I wish everyone a COVID-free, happy, and prosperous New Year 2023.

**Duryodhan Parida**

## "SECRETARY SPEAKS"

### ANNUAL REPORT - 2020-2021 & 2022

Revered Chief Guest Prof. Sabita Prava Patnaik, former Principal, Regional Institute of Education, Bhubaneswar, Guest of Honour Prof. P.C. Agarwal, Principal, RIE, Bhubaneswar and my dear fellow Regvians.

I take the privilege to welcome you all to this Tenth Annual Alumni Meet - 2022. Our last meet was held on 29th December, 2019, but our activities got paralysed due to COVID-19 pandemic thereafter. Therefore we meet today after three years. We also could not organise our meet in the last week of December, 2022 as this campus was taken over by Ministry of Education for conducting a very big event called National Kala Utsab. Hence we let no option but to meet on this day.

I would like to begin by offering my sincere gratitude to the Principal, RIE, Bhubaneswar Prof. P.C. Agarwal for his co-operation and guidance and our own Alumni Family for their help for steering the Alumni Association, RIE, Bhubaneswar.

Allow me Ladies and Gentlemen to pursue through the various programme, events taken up by the Alumni Association of RIE, Bhubaneswar.

The Alumni of RIE, Bhubaneswar are a diverse community of high achievers spread over the globe and across a wide span of generations. We attempted to build new bridges and strengthen existing connections between the Alumni and their institute, and sought to expand the scopes of our services through events such as Alumni talks, reunions and student engagement initiatives.

I submit here a brief account of the activities administered during 2020-21 and 2022. We were always eager to support our beloved institution. Now our sincere involvement is needed for our institution for NAAC (National Assessment and Accreditation Council) assessment.

Shri Duryodhan Parida, President and Shri Sahadev Mallick, are representing the Alumni Association in the IQAC (Internal Quality Assurance Cell) committee in order to facilitate and expedite the NAAC Assessment process of the institute.

Presently, we are also provided with a google link by RIE for preparation of a database of RIE Alumni to get connected with the institute.

The Alumni Association has also actively involved itself in following activities during past three years.

#### **Award of Running Shield (Best March Past House)**

A running shield sponsored by Shri Sahadev Mallick, our E.C. Member, was awarded to the best performing 'Prithvi House' in 'March Past' event in the Annual Sports of RIE. This year in the presence of our office bearers, the Principal RIE Prof P.C. Agarwal and chief guest Anuradha Biswal, jointly gave away the shield on the day of the Closing Ceremony of the Annual Sports meet held on 17th March, 2022 to the winners.

#### **Award of Running Shield (Best performing house in Literacy Activities)**

Our running shield for the best performing house in literacy activities was awarded to "Prithvi House" by the Chief Guest Prof. K.B. Das, Vice-Chancellor, Central University, Jharkhand in the Annual Day function of RIE, Bhubaneswar on 19th May 2022. Our E.C. Members attending the function were also invited on the stage to hand over the running shield along with the Chief Guest and other dignitaries.

#### **Membership of the Association**

Together all the members of the Executive Committee, we have strived hard to increase the number of our Alumni Family and there has been an addition of 34 (Thirty-four) members during 2022. After the fresh enrolment of members, the total strength of membership has reached 408 (Four hundred eight only) list of the new members along with their photographs have been published in the current issue of the newsletter.

#### **We condole with the following :**

Our sincerest condolences for the teachers and members who departed us for eternity during the period 2020 to 2022.

Prof. H.H. Tripathy (Chemistry), Prof. B.K. H. Mohapatra (English), Prof. Madhuri Mohapatra (Physics), Prof. M.D. Panda and Dr. G.S. Hati (Education), left us for their heavenly abode.

We also lost eight of our bonafide Alumni members during that period. An obituary page with their photographs and other details has been placed in the current newsletter.

#### **Alumni Corner in RIE Library :**

A proposal by the General Body on 29th December 2019, Annual Alumni Meet - 19 was adopted to have an Alumni Corner at RIE Library with suitable reference / guide books in the subjects taught in our institute. This move was very much appreciated by the RIE authorities. The Executive Committee started acting on the proposal, inspite of COVID-19 restrictions then. The list of useful books were invited from the departments and from the Alumni members concerned.

The Alumni Corner was inaugurated by the Principal, RIE on 22nd December, 2021 in the presence of large number of Alumni, Students of RIE and other dignitaries. Prof. S.C. Panda, former Principal RIE, Bhubaneswar and Prof. B.K. Das (English), have also graced the occasion. Our gratitude is due to Dr. P.L. Negi, the librarian of the institute for her overwhelming support and encouragement in fulfilment of our objective.

We have received Rs. 1.5 lakhs so far from 54 members and purchased 272 no. of recommended books for Rs. 1,08,406/- supplied to the Alumni Corner. Six of our members have also donated 140 best sellers for the purpose. A detailed list of the donors has been reflected in the current issue of the news letter.

#### **Plantation Programme in RIE Campus**

In order to make our presence felt as well as to make the campus green and beautiful, as per the proposal submitted by the General Body in the Annual Alumni Meet - 2019 on , the E.C. has undertaken a major Project of Plantation, even during COVID-19 Pandemic. Plantation of 57 Foxtail Plants were taken up in four auspicious occasion, such as, 20 shaplings on 1st September 2021 on NCERT Foundation Day, around the Tennis Court, inaugurated by Prof. P.C. Agarwal, Principal and other Faculty Members, also on 10th Septmber the day of Ganesh Chaturthi and two more times.

#### **Installation of Statue of Utkalmani Gopabandhu Das inside the Gopabandhu Hostel Premises**

Gopabandhu Hostel is the only hostel, where a statue of Utkalmani Gopabandhu Das was installed. As the statue was dilapidated, it was felt for installation of a new statute of Gopabandhu Das. On the request of the Alumni Association, the Samaja Management has donated a statue of Gopabandhu Das. We express our deep sense of gratitude to the management of 'The Samaja' for their kind support.

The statue of Utkalmani Gopabandhu Das was installed inside the Gopabandhu Hostel premises prior to commencement of the National Kala Utshab held on 3rd January 2023 to 7th January 2023.

We sincerely thank Prof. P.C. Agarwal, Principal, RIE, Bhubaneswar and also the teachers and other staff members of RIE, Bhubaneswar for their whole hearted support and cooperation.

Let me thank all members of the Executive Committee, Extended E.C., Advisors and the Conveners, Sub-Committees for their excellent support and co-operation without their selfless service, we could not have achieved this unprecedented success and glory as a team.

Allow me also to put on record our gratitude to all the voluntary contributors, who have continued to support our various activities round the year. Without their financial as well as man power support, we could not have been able to organise so many events in such a grand scale.

#### **A Submission**

I welcome our members specially staying in and around Bhubaneswar to volunteer themselves to take some responsibility and spare some of their precious time for the promotion of our beloved Alumni Association. Any pass out of RCE/RIE, who has not yet been enrolled as member of the Association, may join and strengthen this organisation .

This budding Association needs your love, care and concern for its existence and growth.

I wish if I could see my beloved institute as the "**Institution of Global Excellence**" in the field of education and teachers training in particular.

Wishing all a very enjoyable participation in the Annual Alumni Meet - 2022.

Jai Bharat.

Regvianly yours

Ramesh Chandra Patalsingh  
Secretary

**Copy of our letter to NCERT**

No.AA/06/2022 Dt.27.09.2022

The Director

National Council for Educational Research and Training

(NCERT) ,Sri Aurobindo Marg,

New Delhi-110016

(Through the Principal,Regional Institute of Education, Bhubaneswar)

Sub: Meeting of the Alumni Association with the Director, NCERT on 26th June at RIE, Bhubaneswar).

Sir,

Kindly recall our discussed in the presence of the Principal, RIE, Bhubaneswar on 26th June, 2022 on the following issues:

• We discussed the filling of the vacant teaching posts as a number of departments are running with contractual faculty only. Teaching of honours courses in History, Political Science, Economics, Odia, Bengali and Hindi has been discontinued for this reason. The teaching learning gets affected for months as process of recruitment of contractual faculties takes much time in the beginning of academic session each year. Therefore posting of regular faculties against available sanctioned posts may be taken up without delay. Also posting of non teaching staff against regular posts is essential for smooth running of the Institute.

• We expressed our concern over the non- opening of innovative P.G. courses/Teacher training courses like M.Sc.B.Ed/M.A..B.Ed.and B.Ed.M.Ed (integrated), at our alma mater in spite of the preference of majority of the candidates for seeking admission in RIE, Bhubaneswar. It may be mentioned here that the four year integrated courses available only in RIEs in the past are no more innovative as they are now available at many degree colleges of the States as well.

• Regarding our suggestion for enhancement of students' scholarship you were kind enough to consider it favorably. However our appeal was for suitable hike in view of the present market practice involving more of expenses in the hostel. Our appeal was to include all the students of the Institute for the same facility.

• Also we had suggested for the smooth arrangement for campus placements of our students, who wish to be teachers after their studies, by reputed organizations like KVS, JNV authorities and State special/model/Adarsh schools etc. It may be taken up with the concerned authorities as well.

• We thank for your concern for taking appropriate steps for NAAC accreditation which has been delayed. It may be expedited as the same is mandatory for opening of new courses before the next academic session.

We hope necessary action may kindly be initiated in this regard at the earliest.

With kind regards,

**(Mr.R.C.Patalsingh)**

Secretary

**RIE Annual Day, 5th August, 2020**  
**Speech of the President over virtual mode during Covid - 19 period.**

Hon'ble dignitaries of this virtual celebration, Principal, RIE, Bhubaneswar, Madam coordinator of this programme, Faculty members, Students of this Institute, my Alumni friends, Ladies and Gentlemen!

On behalf of the Alumni Association, I thank the authorities of RIE, for giving me this opportunity, to share my thoughts, on this occasion.

On this Foundation day, rather the 58th birth Anniversary, of this premier institute of Eastern India, I acknowledge with gratitude, that her campus, was the cradle of our youth, that nourished, and shaped us to be, what we are today. I also fondly recount, the invaluable contribution, of our teachers in this regard. On this day I greet my Alma Mater, for her phenomenal growth, over the last 57 years, from its initial position of 1963 to the iconic height at present. In fact, she is another lighthouse now, in the field of teacher education, in the country.

An educational institution, is usually known by its products. It is a matter of great satisfaction, that the pass-outs of this great institute continue to be the first choice, of any employer in the education sector, and in fact, they are considered as a role model for others, in their profession.

On this occasion I would only wish, my alma mater scaled new heights, still unachieved, in the days to come, by addressing all challenges that confront it. I'm sure no goal is impossible, for a band of committed, and determined guardians of any institution.

My appeal to my student friends is, to keep their morale high, during this difficult time, to not only defeat the COVID-19, but also to succeed, as veritable students.

My appeal is also to my fellow alumni, to join their might together, so that we contribute our bit, to see our alma mater, still taller than before. I am quite hopeful, that our suggestions for development in various sectors, would be complied with, by the appropriate quarters, and when, in three years hence, we celebrate the diamond jubilee, we discover a more developed RIE, with more of excellence, in all respects.

Finally, I wish a Bon Voyage for my alma mater for the days ahead. Jai Hind

**Duryodhan Parida**

**An appeal**

The financial contribution of Alumni as "Students Support Fund" is a requirement for NAAC accreditation for a better grade of this heritage institution.

Hence we have to comply with this condition to see our alma mater achieving an enviable position.

**Duryodhan Parida**  
President

**RIE Foundation day 5th August, 2021**  
**Address of the President over virtual mode during Covid - 19 period.**

Hon'ble Chief Guest, Guest of Honour, Principal, RIE Bhubaneswar, madam coordinator, academics of the institute, fellow alumni, students of the institute, ladies, and gentlemen!

This is a historic moment when we celebrate the 59th foundation day of RIE, Bhubaneswar through this virtual mode. I feel privileged on this day to greet my alma mater for having traversed all the way from 1963 through different phases and identities as it started with Regional College of Education, and got her present nomenclature later. As alumni, we feel proud that during this period of her upward trajectory, she has left indelible footprints in the annals of teacher education in the eastern and north-eastern parts of the country. This trend of development remains unabated with her in all directions even today for which our pass outs remain the first choice of recruiters in the job market.

This institute has nourished and nurtured us like a mother through our formative years and got us empowered to face the challenges of life. We joined this institute as uncut, and hardly furbished a basalt, but she alchemized us to a finished, skilled, human resource. It was in her campus, a miniature India with students from different states, we learned socialization, the art of living in a multilingual and multicultural nation. She not only effected skills in us but also catalyzed our social transformation for the better, as most of us belonged to the marginalised section of the society.

On this auspicious day, I feel greatly obliged to call to memory our teachers, the great teachers of yesteryears, many of whom are no more in this world, who shaped us to be what we are today

Ladies and gentlemen!

During the past 58 years, the achievement of our alma mater is quite great. Today, among all the sister institutions under NCERT, the highest number of aspirants reportedly are applicants to RIE, Bhubaneswar for admission to different courses. The innovative program of 4-year integrated BSc/BA BEd.course launched through this institution also in collaboration with the Ohio State University of USA, is followed by many universities in the country today.

Friends!

As alumni, we wish our alma mater to scale new heights and achieve new laurels in the days to come. For this, all of us, and all other stakeholders, have to put our might together to see it scripted new history as we desire. Our alumni association, in addition to its previous activities, has recently moved the humble initiative of getting one alumni corner opened in our library with its own contribution, and the cooperation of our friends is quite encouraging also. Once this covid-19 pandemic recedes to normalcy this project will take the final shape, for which the RIE authorities have already green signaled.

On this 59th anniversary, ladies and gentlemen, we would desire to see our alma mater upgraded to an institute of national importance or an university imparting world-class education. I'm sure after her successful journey for 58 years she only deserves our expectations. The launching of some innovative integrated PG courses is also the need of the hour. I entreat all stakeholders to let these dreams come true to take this institute to greater heights in the comity of academia.

With this, I thank the RIE authorities for giving me, and the Alumni Association a slot to share our views on this occasion.

Thank you, everybody. With Bon Voyage for my alma mater for the days ahead.

Jai Hind  
**Duryodhan Parida.**
